Do you qualify for a government rental subsidy?

Do you earn between R1850 - R22 000 per month?

Are you a South African Citizen or Permanent Foreign Resident?

Are you over 18?

Do you have dependents?

If the answer is yes to all of the above, then you can apply.

You will need:

A completed application form - available on www.jhc.co.za

3 months bank statement.

A copy of your South African ID or Permanent Residence Permit .

Terms and Conditions:

A tenant who already owns property does not qualify.

The subsidy does not reduce your municipal costs such as sewage, water etc.

The Department of Human Settlement will advise JHC on the application status after 30 days. Thereafter JHC will communicate the outcome to the tenants.

Not all the JHC buildings qualify for the rental subsidy.

Please ask your Housing Supervisor if your building qualifies.

You can only apply once for a Subsidy.
